where **KIDS** | get creative

Dance

California Ballet School

Programs, range in level from beginning to pre-professional, include classes in ballet, tap, jazz and more. The curriculum aims to develop technical skills and broaden the students' dance horizons in a friendly, yet professional atmosphere.

4819 Ronson Court, San Diego, CA 92106
(858) 560-5676, cgonzalez@californiaballet.org
www.californiaballetschool.org

San Diego Ballet:

Providing dancers with quality instruction, and advanced classes by caring professionals concerned with teaching dance at the highest level but also with promoting self-esteem in our students. SD Ballet has an emphasis for children on future career training and welcomes all students who take ballet for exercise, appreciation of the art, and especially those who just love to dance!

Contact:

Robin Morgan
2650 Truxtun Rd. Ste. 102, San Diego, CA 92106
(619) 294-7374, sandiegoballet@aol.com

Theater

Theatre Arts School of San Diego

Teaching theatrical techniques and training in a non-competitive environment in which the individual's creative potential is encouraged and equally balanced with their group participation. TAS+SD provides a foundation in theatre where the focus is not only on the final product, but the process of artistic learning.

(619) 223-0058, makeArt@BravoSchoolofArt.com
BravoSchoolofArt.com

Monart School of Art:

Teaching students how to draw by teaching focus and concentration, decision making, problem solving, and developing hand-eye coordination. Just as we learn the ABC's so that we can read, Monart students learn to perceive what they want to draw in terms of five basic elements of shape, and to develop the skills they need to translate that information onto paper.

Contact:

David Lee
2590 Truxtun Rd, Ste. 204, San Diego, CA 92106
(619) 222-3729, info@monartsandiego.com
